

# Inviting Young Scientists

## Meet Some of the Greatest Minds of Mathematics and Computer Science

Young researchers in the fields of mathematics and/or computer science are invited to participate in an extraordinary opportunity to meet some of the preeminent scientists in the field. ACM has joined forces with the Heidelberg Laureate Forum (HLF) to bring students together with the very pioneering researchers who may have sparked their passion for science and math. These role models include recipients of the Abel Prize, the ACM A.M. Turing Award, and the Fields Medal.

The next Heidelberg Laureate Forum will take place September 21-26, 2014 in Heidelberg, Germany.

The week-long event will focus on scientific inspiration and exchange through a series of presentations, workshops, panel discussions, and social events involving both the laureates and the young scientists.

### Who can participate?

The HLF invites new and recent Ph.D's, Ph.D. candidates, other graduate students involved in research and undergraduate students with solid experience in and a commitment to computing research to apply.

### How to apply:

Young researchers can apply online:
